This book is dedicated
to everyone who has ever had
hardships or a bad day.

I would like to thank God for this book's simple yet poignant
message that is not just for children, but for young and old.

I want to thank my family for being my inspiration,
especially my kids, who keep reminding me that
happiness is just a thought away.

Thanks to those who took the time to read
this to their children or to themselves.

Thanks to all who stood behind me through this process
and believe in the message of this book.

What's so cool about
going to school?

An illustration of three children of diverse backgrounds. A boy in the top left holds a paper with '100 Great Job!'. A girl in the top right holds a paper with 'A+'. A boy in the bottom left holds a paper with a smiley face and 'A+'.

You'll learn how to use
every word, number,
and tool!

What's so amazing
about never
giving up?

Working together to win
the gold cup!
